# Parts Campaigns

Parts campaigns applied by your dealer are visible in the banner once logged into B2B Connect.

Only campaigns relevant to the dealer selected will be shown. To view other dealer campaigns please change selected dealer.

The screenshot displays the Mercedes-Benz B2B Connect interface. At the top, there is a navigation bar with the Mercedes-Benz logo, 'Product information', 'Need help?', 'Standardized navigation', 'Provider / Data privacy', 'EN', a search bar, and a 'Log out (B2B Testuse...)' link. Below this, the user is logged in as 'Autohaus Arnold GmbH' with the address 'Hauptstraße 100, 84088, Neufahrn...'. A shopping basket icon shows 'Basket (84 items)'. The main content area features a banner for 'Neue Promo-Aktion' with the text 'Sparen Sie mit uns.' and a 'Neue Promo-Aktion' button. Below the banner is a search bar with the placeholder text 'Search for VIN, model, license plate or customer name and hit enter' and a 'Search' button. The interface then shows a list of vehicles with filters: 'All (relevance)', 'Upcoming service', 'Recent orders', 'Recall', 'Customer service measures', 'Last opened', and 'To be deleted'. Three vehicles are listed:

Vehicle Model	VIN	Service Status	Actions
C 250 BlueTEC Sedan / C 250 d Sedan	WDD2050081F104441	Service delayed since 1640 days	Order parts, Order placed View, Customer service measures View, Repair And Maintenance Access, Open
V 250EAV/K 4X2 3200	WDF44781113089970	Service delayed since 1353 days	Order parts, Repair And Maintenance Access, Open
2 16 DOKA 4X2 3250	WDB9062111N667097	Service delayed since 605 days	Order parts, Repair And Maintenance Access, Open

# XENTRY Tips Access

A VIN will now be automatically applied if you open XENTRY TIPS directly from the selected vehicle page, by navigating to “Working on the vehicle”.

This allows you to continue working directly within the specific vehicle context and benefit from quick access to XENTRY Tips.

The screenshot shows the Mercedes-Benz XENTRY Tips interface. At the top, there is a navigation bar with the Mercedes-Benz logo, "Mercedes-Benz", "Product information", "Need help?", "Standardised navigation", "Provider / Data privacy", "EN", a search bar, and "Log out (B2B Testuse...)". Below this, a breadcrumb trail shows "Vehicles" and a dropdown menu for "Autohaus Arnold GmbH" with the address "Hauptstraße 100,84088,Neuf...". A shopping cart icon indicates "Basket (84 items)".

The main content area is titled "XENTRY Tips" and features a grid of four cards:

- Blue card:** "Huge knowledge database for vehicle related technical solutions." with a globe icon.
- Grey card:** "Symptom-based search for solutions." with a magnifying glass icon.
- Grey card:** "Up-to-date solution proposals from the manufacturer." with a left-pointing arrow.
- Image card:** A photo of a woman in a blue shirt looking at a tablet next to a car, with the text "Also for mobile devices." below it.

Navigation arrows are visible between the cards. To the right of the grid is a filter panel:

- Vehicle division:** Radio buttons for "Passenger Cars", "Vans", and "smart". Below it, "Incl. Van & smart".
- Time period:** Radio buttons for "1 hour", "1 day", "1 week", "1 month", and "1 year".
- A "User\*" dropdown menu.
- An "Add to basket" button at the bottom right.

# Exporting Shopping Basket

The shopping basket can now be exported into the following formats: PDF, XLSX and XFR.

Only the parts that are selected within the basket will be exported.

# Headlamp Checks in DSB

In the service entry for Service A, B or an intermediate service, the headlamp check is now a separately listed activity.

If the headlamp check has been performed, the corresponding checkbox must be in the DSB.
