XENTRY Tips App Removed

The standalone access to XENTRY Tips has been removed from B2B Connect.

XENTRY Tips can still be accessed via 'working on the vehicle' in the vehicle information area.

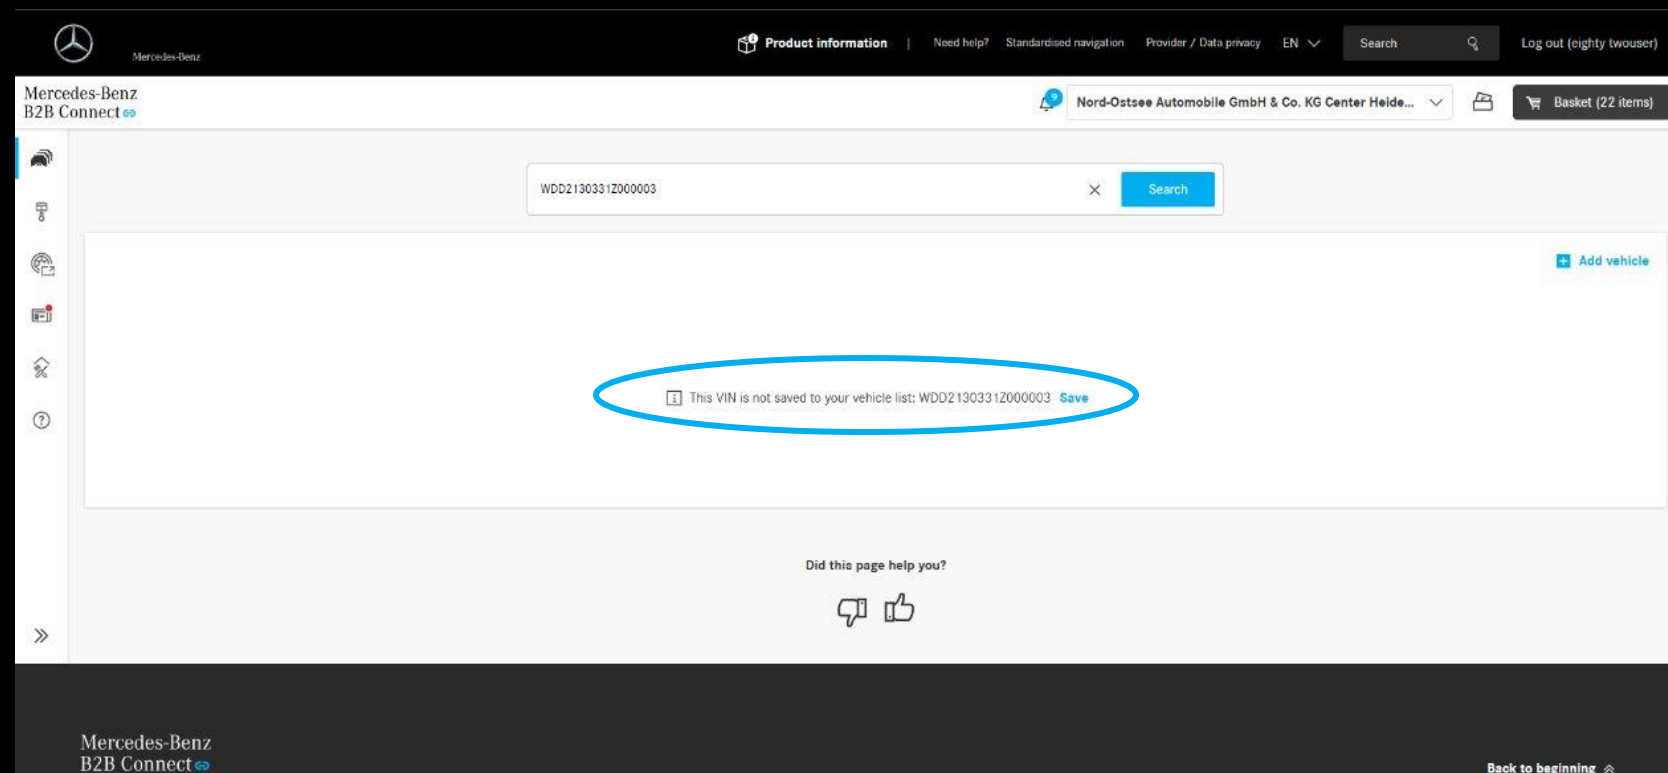

Valid credits for XENTRY Tips, or XENTRY Combo Package activation is required.

The screenshot displays the XENTRY Tips interface within the Mercedes-Benz B2B Connect portal. The top navigation bar includes the Mercedes-Benz logo, 'Product information', 'Need help?', 'Standardised navigation', 'Provider / Data privacy', 'EN', a search bar, and a 'Log out (eighty trowser)' link. The main content area is titled 'XENTRY Tips' and features a grid of four cards. The top-left card is blue and contains a globe icon and the text: 'Huge knowledge database for vehicle related technical solutions.' The top-right card is grey and contains a magnifying glass icon and the text: 'Symptom-based search for solutions.' The bottom-left card is grey and contains the text: 'Up-to-date solution proposals from the manufacturer.' The bottom-right card is a photograph of a woman in a blue shirt looking at a tablet next to a car, with the text: 'Also for mobile devices.' To the right of the grid is a filter panel with the following options: 'Vehicle division' with radio buttons for 'Passenger Cars', 'Vans', and 'smart' (with a sub-option 'Incl. Van & smart'); 'Time period' with radio buttons for '1 hour', '1 day', '1 week', '1 month', and '1 year'; a 'User*' dropdown menu; and an 'Add to basket' button.

Saving Vehicles Update

If a vehicle that has been input in the search bar, is not a vehicle that is saved, there will now be an option to save this vehicle directly.

This will lead to faster identification and saving of vehicles.

The screenshot displays the Mercedes-Benz B2B Connect web application interface. At the top, there is a navigation bar with the Mercedes-Benz logo, 'Mercedes-Benz', and links for 'Product information', 'Need help?', 'Standardised navigation', 'Provider / Data privacy', 'EN', a search bar, and 'Log out (eighty twouser)'. Below this, the page header includes 'Mercedes-Benz B2B Connect', a user profile dropdown for 'Nord-Ostsee Automobile GmbH & Co. KG Center Heide...', and a 'Basket (22 items)' button. The main content area features a search bar with the VIN 'WDD2130331Z000003' and a 'Search' button. Below the search bar, a message states: 'This VIN is not saved to your vehicle list: WDD2130331Z000003 Save'. The 'Save' button is highlighted with a red oval. At the bottom of the page, there is a feedback section with the text 'Did this page help you?' and thumbs up/down icons, and a 'Back to beginning' link.

Larger Parts Thumbnails

To enable more effective and efficient identification of parts, the icon thumbnails have now been made larger.
