# Dal 4 luglio: Ancora più funzionalità per il tuo business quotidiano

Da gennaio 2023 sviluppiamo gradualmente Mercedes-Benz B2B Connect, con molte nuove funzioni e un nuovo look.

L'idea di base è quella di concentrarsi ancora di più sul veicolo del cliente – per un'efficienza ancora maggiore nella vostra officina

# Cruscotto

Ora la homepage ti offre un design aggiornato e più pulito [rimuovendo i collegamenti diretti](#) alle applicazioni e alle licenze. I link diretti delle applicazioni sono ora accessibili tramite la pagina [Licenza](#) o il catalogo delle parti.

The screenshot displays the Mercedes-Benz B2B Connect user interface. At the top, the Mercedes-Benz logo and 'Mercedes-Benz' text are on the left, while navigation links for 'Product information', 'Need help?', 'Standardised navigation', 'Provider / Data privacy', 'EN', and 'Log out (RMIDE Extended)' are on the right. A notification banner at the top reads: 'Incident Due to technical problems the following products are temporarily functionally impaired: B2B Connect'. Below this, the user's account information 'Winteler SA via Mondari 7,6512, Giubi...' is shown next to a notification icon with '3' and a 'Basket (2 items)' icon. The main content area features a large banner titled 'Bites the dust' with a background image of a mechanic. Below the banner is a search bar with the placeholder text 'Search for part numbers or saved vehicles and hit enter' and a blue 'Search' button. At the bottom, there are filter tabs: 'All (relevance)', 'Upcoming service', 'Recent orders', 'Callback', 'Customer service measures', and 'Last opened', along with an 'Add vehicle' button. A partial view of a vehicle listing for '109KA / L 4X2 3200' is visible at the bottom.
