

Ny handlekurv

- Vi har redesignet handlekurven for å gjøre bestillingen enda enklere.
- Presentasjonen er nå tydeligere, og alle varer kan bestilles i ett trinn - uansett om det er deler til forskjellige kjøretøy eller fra forskjellige forhandlere. Individuelle artikler, forhandlere eller kjøretøy kan velges bort fleksibelt og dermed ekskluderes fra bestillingsprosessen.
- Andre artikler som diagnoseverktøy, digitale produkter eller utstyr kan nå finnes samlet og oversiktlig sortert i den nye fanen "Verkstedutstyr".

Funksjonstips – Bytte av ordrenummer

- Funksjonstips (mouse-over) for å påpeke og forklare funksjonaliteten til en funksjon i B2BConnect på en effektiv måte. Målet er å gjøre det mer forståelig.
- Hovedformålet med funksjonstipset er å understreke ikke bare de nye funksjonene, men også de som ikke har vært brukt på en stund.
