

# How-To Video Library

For offering you even more help about how to use B2B Connect and its features properly, we integrated the how-to video library to our help section.

You can find 24 videos of the most valuable features now in B2B Connect explaining its functionality.

We will add videos regularly.

It's worth a look from time to time to understand easily how these features function.

The screenshot shows the 'How-To Video Library' page in the Mercedes-Benz B2B Connect help section. The page is titled 'Simple solutions for common questions.' and features a search bar for keywords. Below the search bar, there is a 'Frequently viewed' section displaying a grid of video thumbnails with titles and durations. The videos include:

- Activating and Using the Digital Service Booklet (DSB) (1:16)
- Requesting admin rights on B2B Connect (1:01)
- Managing Settings and preferences (0:44)
- View and edit user / company information (0:49)
- View and edit vehicle information (1:32)
- Adding and removing retailers (1:04)
- Parts search on B2B Connect (1:07)

Each video thumbnail includes a play button icon and a duration. The page also shows a navigation menu with 'How-To Videos' and 'Questions & Answers' options, and a 'Global Training Center' link.

# XENTRY Diagnosis Kit 5

The successor of XENTRY Diagnosis Kit 4 – XENTRY Diagnosis Kit 5 – will set new standards for efficiency, reliability and future readiness in the Mercedes-Benz workshop.

XENTRY Diagnosis Kit 5 will be available soon:  
You can order it starting January 12, 2026.

# Mercedes-Benz Global Training Center

We now integrated a page regarding Mercedes-Benz Global training center. Here, you will find important information about B2BConnect info-sessions and links to official Mercedes-Benz trainings.  
It's worth a look!
